

Whissendine Feast Week

Feast Week is split into 2 parts this year. Because of government restrictions some events could not go ahead in July, so we have moved Feast Week 2

to

Saturday 21st to Sunday 29th August

Feast Week 2 preliminary programme is shown in red text and will be confirmed over the few weeks.

The Feast Week committee would like to thank all those people that have organised their various activities for Feast Week and we hope that you enjoy the many events on offer.
