2 What do you Like about Whissendine as a place to live or work?

Text answer , answers 22 x, unanswered 0 x

- A strong community, not least because of the pub, shop, church, and many support groups and activities. People talk to each other! Also its position is very central – Oakham and Melton are within easy reach, but we also chose it because many of our family and friends are within an hour's drive or a little more.
- Community. Quietness. Environment/rural location/nature
- Community, safe, stability
- Friendly people
- Friendly, safe, reasonable amenities
- Great community
- Great sense of community. People generally look out for each other. Plenty of activities to get involved in if you want to and you can walk or cycle safely from your front door.
- It's very quiet.
- Just the right size.
- Many community activities and a very friendly bunch of people

- Nice community feel - quiet -safe - rural - shop - good pub
- Nothing
- picturesque
- Quiet and friendly
- Relatively little through traffic
- Rural connected,friendly
- testing 0987655
- The community spirit & friendliness
- The countryside; the views; the strong sense of community; the fact that the village can support a pub, shop church and village hall. I like the ridge and furrow and the string sense of nature just on the settlement boundary.
- The shop, the pub, the school the sense of community
- The village community is so friendly and helpful.
- Whissendine is an attractive village with quite a strong sense of community. It has the basic services i.e shop, school, pub, church, park

3 What don't you like in Whissendine as a place to live or work?

Text answer , answers 22 x, unanswered 0 x

- A few services, particularly medical, are difficult to access – Oakham Medical Practice is overwhelmingly busy
- Arrogant horse riders who cause car accidents because they cart control a horse in the road. Animal act 1971, perhaps they should read it before the use the public highway considering they don't pay insurance to be on the road. No regard for anyone other than themselves
- Cars parked on pavements. Some new developments of a style and size not in keeping with the village keeping
- Cow Lane, dangerous for walkers.Condition of road, need a mirror on the bottom corner, drivers speed
- Development
- Dogs not on a lead. Dog excrement on pavements, verges and in the park. Constant attempts by developers to grab land for building. Any development will add to our flooding problems and should be refused.
- Flooding. Lack of sustainability priority. No focus on climate or nature recovery. Lack of strong and innovative design plan to retain the built and natural character of the village. Lack of smaller homes for young families and the elderly to ensure a diverse demographic structure. Congestion in the village near the school (poor air quality) - resolvable by walking bus from sports club. Investment and marketing required to retsin sports club
- Housing association company's keep sending troublesome people into there properties.
- If you don't have a car it's tricky getting to anywhere other than Oakham and melton
- Lack of enthusiasm for driving improvement, such as rejuvenating the sports club. A village of this size should have vibrate young sports teams etc
- Lack of pro-active thinking from the parish council
- Nothing
- Only moved the sheep into the field recently so don't know yet
- Over growth of the space - squeezing a house in where there's no room
- School pick up with cars
- still testing
- The high street parking is too busy. The council makes decisions without consulting properly and a political agenda. (Eg the TPO; allowing a take-away W/o a vote, when the previous one was voted down!
- The only thing is the road surrounding the primary school. Not sure how to solve this but it is the real only detraction, oh and the regular flooding
- The speeding traffic and thr traffic blocking the road around the school at tje begining and end of the school day.
- The tandem development habits with lack of on site parking is causing problems with in street parking and congestion
- traffic
- Traffic

4 What could be improved in Whissendine?

Text answer , answers 22 x, unanswered 0 x

- A clear plan for preserving wooded and green areas of value, replacing aging trees, etc. To future-proof the environment
- A place for teenagers to go
- As above.
- a small amount...
- A weekly or monthly medical facility for those who can't travel. More focus on the village environment - woodland, trees
- Better parish Council working for and representing the community
- Cafe return
- Don't know yet
- Grass cutting - more frequent
- Greater participation from residents in the running and maintenance of Whissendine. A safe traffic free cycle route to connect us to Oakham (maybe by surfacing existing bridleways and footpaths). Children could cycle to school and residents could complete basic errands and appointments without using their vehicles. Recreation and exercise opportunities be improved and visitors to the Windmill and The White Lion could be encouraged as a family day out from Oakham!
- Keep it small
- less bad parking
- Move the school to the the sports club grounds and keep the shop the size it has been (parking)
- Nothing
- People who ride horses
- Promotion of zero carbon,One Planet, living buildings. Provision of community renewables. Better links with landowners to resolve flood issues. Limited parking zone outside school. Extra care facility to enable older people to stay local. Green infrastructure and nature recovery strategy prioritising nature based solutions. Use of village hall space as occasional hot desk hub to support home workers (social and networking) and early business starts.
- School parking
- Significantly better public transport, including properly managed connections in Oakham and Melton.
- Stop the Take away next to the village shop. The smells will be awful & will add to the parking problem
- The parking around the school.
- The sports club needs investment (in a new building) and could be much better used. This would be a fantastic facility for a village of our size.
- Walking tracks for prams

5 Describe Whissendine in one sentence?

Text answer , answers 22 x, unanswered 0 x

- .
- a friendly and busy village
- A friendly beautiful village
- A friendly, compact village in a delightful and accessible rural setting.
- A good place to live, improvements possible
- A great place to live
- A pleasant community which would benefit from gentle improvements, but no major change.
- A vibrant and inclusive place to live, where one is welcomed from the start; a place of long views and quiet contemplation; a place of creativity and community.
- Beautiful, friendly rural village, well connected to local towns and cities,
- Cosy

- Fantastic
- Fantastic & super community
- Friendly
- Friendly community with a school, church, pub and shop - all vital
- Friendly working village
- great
- It is a friendly and helpful community with a fantastic pub.
- It's a nice village which could improve with considered and inclusive planning.
- No picture-postcard, but a splendid community
- Quite and very good place to live
- Quite vibrant
- Whissendine stands out , not only in the Rutland landscape with its church and windmill visible for miles around, but more importantly as a very special place to live with its strong sense of community.
